- 12.2 It is for the owner/skipper to decide whether the boat is fit to sail in the conditions in which she will find herself. See Rule 4 Decision to Race. By launching or going to sea, the owner/skipper confirms that the boat is fit for those conditions and her crew is competent to sail and compete in them.
- 12.3 Nothing done by the organisers can reduce the responsibility of the owner/skipper nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organisers encompass everyone helping to run the race and the event, and include the organising authority, the race committee, the race officer, safety boats and beachmasters.
- 12.4 The provision of safety boats does not relieve the owner/skipper of his/her responsibilities.
- 12.5 The owner/skipper is responsible for ensuring that the boat is equipped and seaworthy so as to be able to face extremes of weather; that there is a crew sufficient in number, experience and fitness, to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and that the crew know how to use it.
