£369.00 – 10% LSC discount = £330

The Day skipper theory course is a 5 day shorebased course teaching navigation and the theory of seamanship for inexperienced skippers.

This shorebased course equips you with enough knowledge to navigate around familiar waters by day. A basic knowledge of lights is also included to introduce you to night cruising. This is the theory required for the RYA Day skipper practical course.

Course content:

- the basics of seamanship
- the essentials of coastal navigation and pilotage
- chartwork
- electronic charts
- position fixing
- plotting a course to steer
- weather forecasting and meteorology
- tides
- collision regulations
- construction, parts and equipment of a cruising boat
- emergency and safety procedures including distress calls, use of flares, safety harnesses, lifejackets and liferafts
